

## My relatives do not like Muslims

Advice from Shaykh Salih Fawzan

**Question:** Noble Shaykh, may Allah grant you success. My relatives are ignorant, and they do not like Muslims with beards. Keep in mind, I live in a non-Muslim country. I want to visit them, but they do not like me. What is your advice for me and what should I do with them?

**Shaykh Salih Fawzan:** Visit them even if they do not like you. Keep the ties of kinship even if they cut you off. Visit them. Pray for them. Treat them kindly. And do not abandon them.
