

## The Academic credentials of Morten Storm evaluated

Morten Storm a former terrorist turned “terrorism analyst” for Fox News proudly boasted on ‘The Kelly File’ “I have studied Islam for ten years!”

- ❖ Morten. Ten years?! Really? We have known you since 1997 and we have NEVER heard the words “**Morten**” and “**study**” in the same sentence!

Morten. When did you study Islam? Where did you study? Who did you study with?

Prophet Muhammad peace be upon him said: “Knowledge is acquired by studying.” This means no one will obtain knowledge **except by studying; sitting with a teacher and studying.**” (Explained by Shaykh Zayd Al Madkhali)

See; we knew Morten before the (media) Storm, we knew Morten **before he started kissing up to Donald Trump**, shamelessly begging Trump for a job on social media. Morten when did you study Islam?!

- ❖ In 1997 you were still learning how to say your prayer
- ❖ In 2000 you didn’t know enough Arabic to attend basic classes
- ❖ After 3 years of “study” you only knew a few colloquial phrases!
- ❖ In 2002 –**due to your ignorance** – you became a Terrorist Jihadi Kharijite!
- ❖ In 2005 –**due to your ignorance** – you became a mystic Sufi Maliki Jihadi!
- ❖ In 2005 you were addicted to cocaine!
- ❖ In 2007 you apostated after reading an anti-Islamic website!
- ❖ **This is your résumé from 1997’ to 2007’!** So when did you study Islam?! Name your teachers.

Now –after a decade of buffoonery –Morten masquerades as an expert on Islam; explaining verses of the Quran and Hadith from his own money driven desires!
