

Can the person waiting for sunrise move about

Answered by Shaykh Salih Fawzan

Question: For the person sitting in their prayer area after Fajr prayer waiting for sunrise so they can pray two Rakat; is it permissible for them to move from their place to get a copy of the Quran to read?

Shaykh Salih Fawzan: Yes, it is permissible for him to stand up and take care of his needs, get something to drink, go to the bathroom to relieve himself and return. If he has a need it is okay for him to take care of that need and he will receive the reward Insha' Allah.
